Dear colleagues and friends,

on behalf of the course directors - Bernard de Bruyne and myself I cordially invite you to the international workshop about the functional assessment of coronary lesions (FFRmyo).

Workshop will be held in the Brno city with live-cases transmitted from the cathlab of Internal Cardiology Department, Faculty Hospital and Masaryk University Brno. We plan the workshop to be very interactive with enough time left for stimulating and friendly discussion.

On 11 June 2012 the Workshop will start with the dinner predated by the short synoptical presentations.

We look forward to welcome you to Brno.

Yours sincerely

Petr Kala
Course director on behalf of Bernard de Bruyne
