Deadline for abstract submission is April 1, 2007
Abstract submission is possible only electronically starting from Fall 2006 at www.venicearrhythmias.org
President
Antonio Raviele

Co-President
Andrea Natale

Organized by
Section of Pacing and Electrophysiology and Centre for Atrial Fibrillation
Cleveland Clinic Foundation
Cleveland - USA

Meeting organized in collaboration with the European Heart Rhythm Association, a Registered Branch of the ESC

Endorsed by
Heart Rhythm Society*

International Society for Holter & Noninvasive Electrocardiology

Sociedad Latinoamericana de Estimulación Cardiaca y Electrofisiología

World Heart Federation*

* under evaluation

Scientific Committee

Paolo Alboni, Italy
Etienne Aliot, France
Angelo Auricchio, Switzerland
David Benditt, USA
Martin Borggreve, Germany
Günther Breithardt, Germany
Michele Brignole, Italy
Pedro Brugada, Belgium
Michael E. Cain, USA
A. John Camm, UK
David S. Cannom, USA
Shih Ann Chen, Taiwan
John G.F. Cleland, UK
Stuart J. Connolly, Canada
Wyn Davies, UK
Hugo Ector, Belgium
Nabil El-Sherif, USA
N.A. Mark Estes III, USA
Jeromino Farré, Spain
Franco Giada, Italy
David Martin, USA
Andrea Natale, USA
Antonio Raviele, Italy
Antonio Rossillo, Italy
Walid Saliba, USA
Robert Schweikert, USA
Silvia G. Priori, Italy
Eric N. Prystowsky, USA
Antonio Raviele, Italy
Dwight W. Reynolds, USA
Sanjeev Saksena, USA
Massimo Santini, Italy
Leslie A. Saxon, USA
Martin Jan Schalij, The Netherlands
Melvin M. Scheinman, USA
Eduardo Sosa, Brazil
Richard Sutton, UK
Panos E. Vardas, Greece
Hein J. Wellens, The Netherlands
Wouter Wieling, The Netherlands
Douglas P. Zipes, USA

Main topics
Non invasive diagnostic tools
Remote monitoring of cardiac arrhythmias
Unexplained palpitations
Syncope and presyncope
Atrial fibrillation
Atrial flutter/tachycardia
Ventricular arrhythmias
Sudden death
Heart failure
Arrhythmias in special clinical settings
Socioeconomic issues
Anti-arrhythmic drugs: current indications
Contemporary issues in cardiac pacing
Cardiac resynchronization therapy
ICD
Public access defibrillation
Catheter ablation
Surgery for cardiac arrhythmias
New technologies and therapies

The workshop will include
Featured symposia
Debates/Controversies
Minicourses
“How to....” sessions
Meet the experts unplugged
Interactive sessions
Videopresentation sessions
Live presentations
Practical training sessions
Clinical cases discussions
Special sessions organized by Scientific Societies
Satellite symposia
Luncheon panels
Award sessions
Young Researcher sessions
Oral communications
Moderated posters
Electronic posters

Under the auspices of
Asian Pacific Society of Cardiology*

European Cardiac Arrhythmia Society*

International Cardiac Pacing and Electrophysiology Society

Asian Pacific Society of Cardiology*

International Society for Holter & Noninvasive Electrocardiology

Sociedad Latinoamericana de Estimulación Cardiaca y Electrofisiología

World Heart Federation*

* under evaluation

Faculty
Besides the Members of the Scientific Committee, Faculty will include the most renowned International Leaders in the field of arrhythmology.
